TWO WAYS TO BOOK

Strolling Close-Up Magic

I work the room table to table. Sleight of hand inches from people's hands. Packs in a jacket pocket, zero footprint. Works for cocktail hours, dinners, receptions, anything with a crowd mingling.

Comedy Stage Show

A 20-30 min set for a seated or standing crowd. Audience participation, real laughs, and a mind-reading orange nobody sees coming. Bundles well with strolling for a full-event package.

GOOD FIT FOR

- Corporate holiday parties and team events
- Wedding receptions and rehearsal dinners
- Private dining and wine events
- Fundraiser galas and nonprofit events
- Birthday and milestone parties (adult crowd)

Magic, dumb jokes, and an orange with attitude.

WHAT YOU GET

- Fully self-contained for close-up: no stage, PA, or AV needed
- Stage show works with a mic and basic floor space
- Adapts to any size, 10 guests to 200+
