

A SHOW PEOPLE STOP FOR.

Comedy magic. Audience participation. A mind-reading orange.

Suncoast Ren Faire

THE SHOW

20-30 min. Comedy magic for real people.

Not a kids show. Works great for families, but put me in a dedicated kids area and we both lose. Audience participation, sharp sleight of hand, enough dumb jokes to keep the adults happy.

HOW IT WORKS

- 4-5 scheduled shows throughout the day, posted on a sign behind me
- I gather the crowd, run the show, pass the hat at the end
- Flat-fee no hat pass option also available
- All I need is a spot near foot traffic

PLACEMENT

Near foot traffic is all I need. Not next to a music stage or in a kids area.

LOGISTICS

- Own PA system and full gear, totally self-contained
- Own setup and strike, no crew needed
- Fee plus hat pass standard. Rates on request.

Magic, dumb jokes, and an orange with attitude.

AVAILABLE FOR

- Street fairs and outdoor festivals
- Community events and cultural celebrations
- Arts, music, and food festivals
- Beer festivals (family-friendly main area)

ALSO AVAILABLE

Close-up and strolling magic can be bundled for a fuller event package. Ask about rates.
